

Farmingdale State College - University in the High School Program

The University in the High School program enables qualified high school juniors and seniors to earn college credit for approved courses offered in their own school. Students who register with Farmingdale State College and successfully complete the course will be eligible to earn undergraduate college credits. The fee is determined by the credits assigned to the course. A three credit course is \$150, and a four credit course is \$200 (50% discount for eligible students.)

Courses offered at Mattituck High School:

MHS Dept.	MHS Course	SUNY Farmingdale Course Name	Credits

Technology	CADD (Computer Aided Drafting and Design	MET104-CADD	3

Refer to individual department pages for detailed course descriptions.

Obtaining College Credit:

Credits will be recorded on an official Farmingdale transcript and can either be used to pursue a degree at Farmingdale or a transcript can be sent to any other college the student wishes to attend. Upon successful completion of a course, a student may request a transcript from the University's website www.farmingdale.edu or by contacting the Registrar at (631) 420-2776.

Acceptance by other SUNY schools is typical. While no guarantee can be offered, a grade of C or better may be accepted by a broad range of public and private institutions.
