### Order From Your Phone

[www.pixelsimaging.com](http://www.pixelsimaging.com)

**Step 1**  
Open the QR barcode app on your smartphone, please install one if not present, and choose "scan from camera" or "scan QR code" from the main menu. A new window should open with a square in the middle of it.

**Step 2**  
Center the QR code in the middle of the square that's currently displayed by your QR barcode app. The app should automatically take a picture of the QR code for you when it has finished scanning the code. A new pop-up menu will appear, with the QR code information on it.

**Step 3**  
Click the link that was embedded in the QR code if there is one. This will direct you to web order form. Fill out and submit the appropriate information for your order. Have your credit card available.
