

Our students have made their way back to the classroom, but many will find themselves without the supplies or means that would allow them to take advantage of opportunities that could help them succeed academically. The Mattituck/Cutchogue Academic Booster Club has been established to meet these needs.

The mission of the Mattituck/Cutchogue Academic Booster Club is to provide financial support to students most in need, aiming to provide opportunities and resources to those who do not have the means, as well as maintaining a standard of academic excellence in our community.

This school year is sure to be like no other and we're likely to see an increase in families who are experiencing financial hardship due to the Coronavirus pandemic. With your help, we can be sure that every student in our district is provided with all they need to achieve their educational goals.

We are asking for the local community's support in raising funds to support our students. The Mattituck/Cutchogue Academic Booster Club is a registered 501-C-3 organization, which makes your donation tax deductible.
